

Tech Expo 2019
Thursday, February 21st, 2019
Pier 21- Chrysler Pavillion
1055 Marginal Road Halifax, Nova Scotia

The Terrazzo, Tile & Marble Association of Canada is presenting our **Tech Expo** aimed at Architects, Designers, Specifiers and Contractors. The courses have approval from the Nova Scotia Association of Architects and seminars can be reported for learning unit credits.

The latest event will take place February 21st, 2019 from 9:00-2:30 in Halifax.

This year we are pleased to announce our seminars will be about Large Format and Super Panels, Exterior Installations, Acceptable Substrates as well as a presentation about the benefits of TTMAC Membership

There will also be table top presentations to learn about the new and exciting products in the marketplace.

Please join us for this fun, informative and free event. Lunch is included! Space is limited so please sign up soon- don't want you to be disappointed!

Registration start at 8:30 am
